

MCC Items for Loan List

Have you ever needed something for a one time event and didn't want to buy it? Maybe a rototiller? How about a canoe trailer? Or an air mattress? The Environmental Task Force has published a list of items that MCC members are willing to loan to other members. Please contact Edd Hellmer (ehellmer@hotmail.com or 829-2923) if you have items that you would be willing to share. For privacy reasons, the list is posted with your first name and last initial. If you wish to borrow the item, look up the lender in the directory to find their contact information.
